Congratulations to the #1 team at the Indian Wells Golf Resort for garnering these well-deserved accolades!

RE M I N D E R :

FREE TENNIS TICKETS MUST BE PICKED UP BY MARCH 4

Don't forget that as an Indian Wells resident, you can take advantage of an outstanding benefit—complimentary tickets to the BNP Paribas Open, set to take place March 7-20, 2016 at the Indian Wells Tennis Garden. Residents have access to two tickets per household for the day or evening session on the March 10 Residents' Day, as well as two more free "added tickets" per household for various dates of the tournament. As noted last month, a late January random lottery determined winners for finals weekend.

Next, on Monday, February 8 at 8:30 a.m., the online request form will go live. This form is available for use until 5:00 p.m. on Friday, February 12 and may be found at www.cityofindianwells.org. If you do not have Internet access at home, you may use a computer at City Hall or the Indian Wells Golf Resort to apply for tickets.

All ticket distribution will take place February 29 to March 4. You do not need to order Residents' Day tickets online; you may pick those up on the same day you obtain your two complimentary "added tickets." All tickets must be picked up and used by the 2016 Resident Benefit Card-holder, as these BNP Paribas Open tickets are non-transferable.

Important Reminder about Short-Term Rentals

Now that the grandfathering period is over, property owners wishing to rent out their homes for a minimum of seven days and seven nights during this year's BNP Paribas Open must secure a short-term rental business license and permit. License and permit holders should also be sure to file their TOT forms every quarter (even if there is a zero balance), and fill out the Renter Registration form on the City website at www.cityofindianwells.org/rentals. Residents with concerns about nuisance properties may call the hotline at (760) 883-1822.

10 Helpful Tips for Working with Contractors

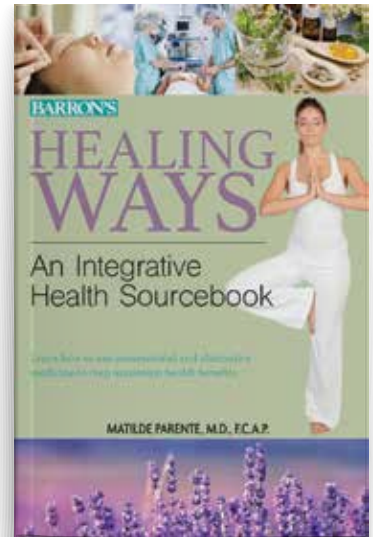

Provided by
California's Contractors State License Board

1. Hire only state-licensed contractors.
2. Check a contractor's license number online at www.cslb.ca.gov or by calling (800) 321-CSLB (2752).
3. Get at least three bids.
4. Get references from at least three bidders and review past work in person.
5. Make sure all project expectations are in writing and only sign the contract if you completely understand the terms.
6. Confirm that the contractor has workers' compensation insurance for employees.
7. Never pay more than 10% down or \$1,000 — whichever is less.* Do not pay in cash.
8. Don't let payments get ahead of the work.
9. Keep a job file of all papers relating to your project, including all payments.
10. Don't make the final payment until you're satisfied with the job.

*There is an exception to this rule for about two dozen contractors who have filed a blanket performance and payment bond with the Registrar. This information is noted on the contractor's license detail page on CSLB's website.

To Your Health: Book-Signing Saturdays at Libertine

Local businesswoman and physician Matilde Parente, MD invites the community to join her for Book-Signing Saturdays at Libertine featuring *Healing Ways: An Integrative Health Sourcebook*, her recently released book published by Barron's Educational Series, Inc. Founded in 2004, Libertine is located on the lobby level at the Renaissance Indian Wells. Books will be available for purchase, and guests are invited to bring their copies for signature. The author will also be on-site to answer questions and to informally discuss the benefits of integrating safe and effective healing methods such as massage, acupuncture and meditation with conventional care for optimal health and wellness. She will also provide tips about how to talk to your doctor about complementary and alternative medicine. The book-signings will take place from 12 to 4 p.m. on Saturday, January 30 and on February 6, 13 and 27, or by appointment. Contact: (760) 773-0220.

Update on Landscaping Projects and Approval Processes

The City of Indian Wells has made changes to the landscaping approval process to make it easier for residents to adjust their landscaping to a more drought-tolerant palette. Additionally, a Coachella Valley Water District program is in place to assist Indian Wells homeowners interested in reducing their water usage by converting lawns to drought-tolerant landscaping, by installing smart irrigation controllers, by replacing inefficient spray nozzles and by installing water-efficient toilets. Reducing outdoor usage is the best way to save water and, as an example, the CVWD turf-replacement rebates offer \$1 per square foot up to a maximum of 1,000 square feet per project, with a maximum of two projects per home. More information on this rebate, pricing and installation incentive program is available at www.cvwd.org.

Please remember that any changes such as lawn/turf conversion or other landscaping adjustments require that residents get proper City permits, and that landscape projects within the City are first subject to review by the City's Planning Department and applicable homeowners association (HOA). It is expected that the associated plans presented for review shall comply with the basic zoning and design parameters set forth in the Municipal Zoning Code and such design guidelines established by the City, and shall show size, location, spacing and species (common and Latin name) of proposed planting, including a complete plant palette. All residential structures must be landscaped to provide a mature appearance so as to blend with existing neighborhoods and enhance the overall appearance of the residential areas. Use of rocks or bare earth in lieu of ground cover plantings may not exceed 20% of the total front yard landscaped area excluding driveways, decks, pools, or walkways. On a related note, individual HOAs may have more restrictive landscaping requirements, so please be sure to contact your respective HOA for written approval prior to submitting your mandatory application to the City's Planning Department.

Please Help Us Keep Our Roadways Clear

The Code Enforcement team would like to remind residents that homeowner materials such as rock and sand, pallets of grass and other yard items must be placed directly on your property. Nothing can be placed or stored on the street itself. Thank you for your assistance in ensuring that our thoroughfares remain unobstructed.

the day. Visitors to Indian Wells Tennis Garden can join guest host Wayne Bryan, father of Bob and Mike Bryan, and special guests for lively tennis talk about players and matches throughout the week. Answer the question of the day for your chance to win daily.

The Salute to Heroes presented by the City of Indian Wells will take place on Friday March 11 and will feature a special ceremony to recognize veterans, military personnel, police and firemen. The ceremony is scheduled to follow the first evening session match in Stadium 1. All veterans and current military, police and fire personnel receive two complimentary tickets for the evening session (please show proper ID at any of the box offices).

Even the exhibitor booths will offer interactivity this year. You can show off your moves with the Bank of the West Smash Cam, a wrap-around camera array that gives a one-of-a-kind 180° photo to share with family and friends. Fans can also demo a new Head racquet at the Tennis Warehouse demo court, travel to one of the Majors with Steve Furgal International Tennis Tours, or look good on the court in one of Fila's new collections, set to be unveiled during the tournament. Need a new car? Audi will have the newest models displayed throughout the grounds as well.

Spotlight on Indian Wells SIA Award Winner

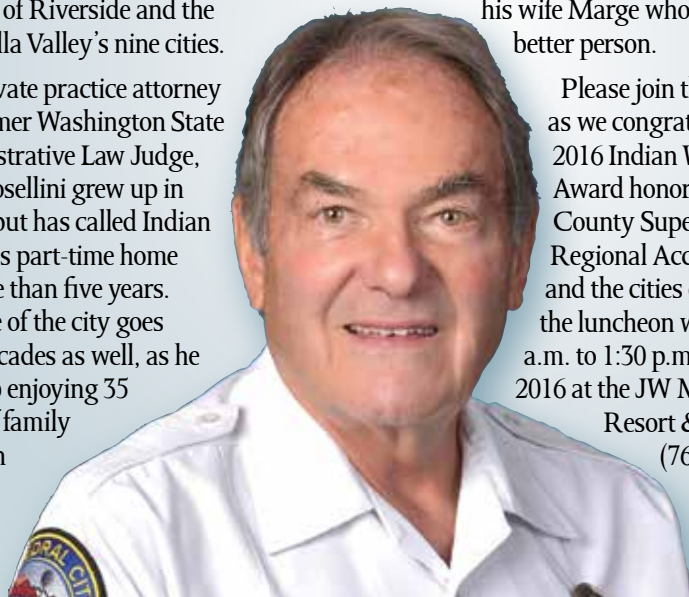

JOHN ROSELLINI

Congratulations to Indian Wells resident John Rosellini, who is among 11 Riverside County senior citizens to be honored at the 24th Annual Senior Inspiration Awards Luncheon on March 25. The Awards recognize seniors 65 years of age and above whose active community contributions inspire desert residents of all ages, and who otherwise would not receive recognition for their ongoing active dedication. The final list is selected by the County of Riverside and the Coachella Valley's nine cities.

A private practice attorney and former Washington State Administrative Law Judge, John Rosellini grew up in Seattle but has called Indian Wells his part-time home for more than five years. His love of the city goes back decades as well, as he grew up enjoying 35 years of family vacation

trips to the Indian Wells Resort Hotel. Highlighting a lifetime of active community engagement both in Washington and in the Coachella Valley, John's local résumé includes a valued role as volunteer for the Cathedral City Citizens on Patrol/Cathedral City Police Department. John is the father of four children and 12 grandchildren, and his greatest wish is for "our kids and grandkids to grow up healthy and safe." He extends special thanks to his wife Marge who, he says, has made him a better person.

Please join the City of Indian Wells as we congratulate John Rosellini, the 2016 Indian Wells Senior Inspiration Award honoree. Hosted by Riverside County Supervisor John Benoit, the Regional Access Project Foundation and the cities of the Coachella Valley, the luncheon will be held from 11:30 a.m. to 1:30 p.m. on Friday, March 25, 2016 at the JW Marriott Desert Springs Resort & Spa. Luncheon tickets: (760) 863-2556.
