

The Green Scene

The City of Indian Wells, in partnership with Burrtec Waste and Recycling Services offers Indian Wells residents a variety of trash and recycling programs to keep neighborhoods clean and minimize the use of landfills. Details are available at Burrtec.com (select Indian Wells) and CityOfIndianWells.org

Weekly Trash and Recycling

Burrtec collects trash and recyclables once per week. Backyard service is provided. Recyclables do not have to be sorted by type, but should be placed in the grey container.

Bulky Item Pick-Up

Residents can dispose of oversized items via this free collection service. (Limit of four items for free per pick-up; additional items \$10 each). To schedule, call Burrtec at (760) 340-2113.

Christmas Tree Recycling

From December 26 through the second week of January, Burrtec will collect Christmas trees on residents' regular trash collection day. Trees must be cut into four-foot lengths or smaller, bundled and placed next to the trash containers. Unfortunately, flocked trees cannot be recycled and are destined for the landfill.

Document Shredding Events

The City sponsors four document shredding events every year in January, April, July and October to help prevent identity theft and promote paper recycling. Rules and limits to apply—see website for details. Events are held at Burrtec's Palm Desert office located at 41575 Eclectic Street from 7 a.m. until 11 a.m. (Resident Benefit Card is required and a maximum of four banker sized boxes per vehicle will be accepted. No commercial businesses please.)

Household Hazardous and Electronic Waste

Burrtec will collect any household hazardous waste and electronic waste from your residence at no charge. (Limit of four items free per pick-up; additional items \$10 each.) To schedule, call Burrtec at (760) 340-2113.

Home Remodeling

Please consider donating, reusing or recycling the materials left over from your project. Fixtures, cabinets, flooring and other items can often be used by others. If the material is not suitable for donation, it may be recyclable. For details, please call the Indian Wells Recycling Coordinator at (760) 674-1032.

Stay In Touch

The City of Indian Wells strives to keep the lines of communication open with residents and does so through a variety of resources. The City website at CityOfIndianWells.org provides the community with the latest news on topics ranging from City programs and services to upcoming events and area attractions. Residents can also view City Council meetings online and download several publications and forms.

Residents can sign up for email notifications on the CityOfIndianWells.org website under the "I Want To..." tab. You can also receive emergency alerts via text by signing up with Nixel. To sign up, text 888777 and enter Indian Wells zip code 92210.

The City's IWTv (check local listings) airs daily the latest City Council meeting and special study session.
