

DESERT HORIZONS PLANNED SIGN PROGRAM

The following are requirements for the Desert Horizons Planned Sign Program.

(a) Upper Tier on Guard Structure. The half circle shaped logo shall be fabricated of one-quarter inch ($\frac{1}{4}$ ") aluminum. The background color shall be "Burlap" and the "mountains and sunrays" shall be "Gold" in color. The logo shall not exceed seventy inches (70") in length by thirty-seven inches (37") in height. It shall be stud mounted a half inch ($\frac{1}{2}$ ") from the building face. The emblem shall not occupy more than eighteen (18) square feet of surface area.

(b) Middle Tier on Guard Structure. The word "DESERT HORIZONS" shall be block style lettering and anodized bronze in color. It shall be fabricated of quarter inch ($\frac{1}{4}$ ") aluminum metal. The lettering shall not exceed seventeen and a half inches ($17\frac{1}{2}$ ") in height and shall not span more than a total of eighteen feet (18') in length.

(c) Bottom Tier on Guard Structure. The word "COUNTRY CLUB" shall be italicized style lettering and anodized bronze in color. It shall be fabricated of quarter inch ($\frac{1}{4}$ ") aluminum metal. The uppercase letters shall be fifteen inches (15") in height. The lowercase lettering shall be ten inches (10") in height. The lettering shall span a total of nine feet nine inches (9' 9") in length. (Ord. 629 § 1, 2009)
